Password:

Parents, [click here](#) to create your account or [click here](#) if you forgot your password.

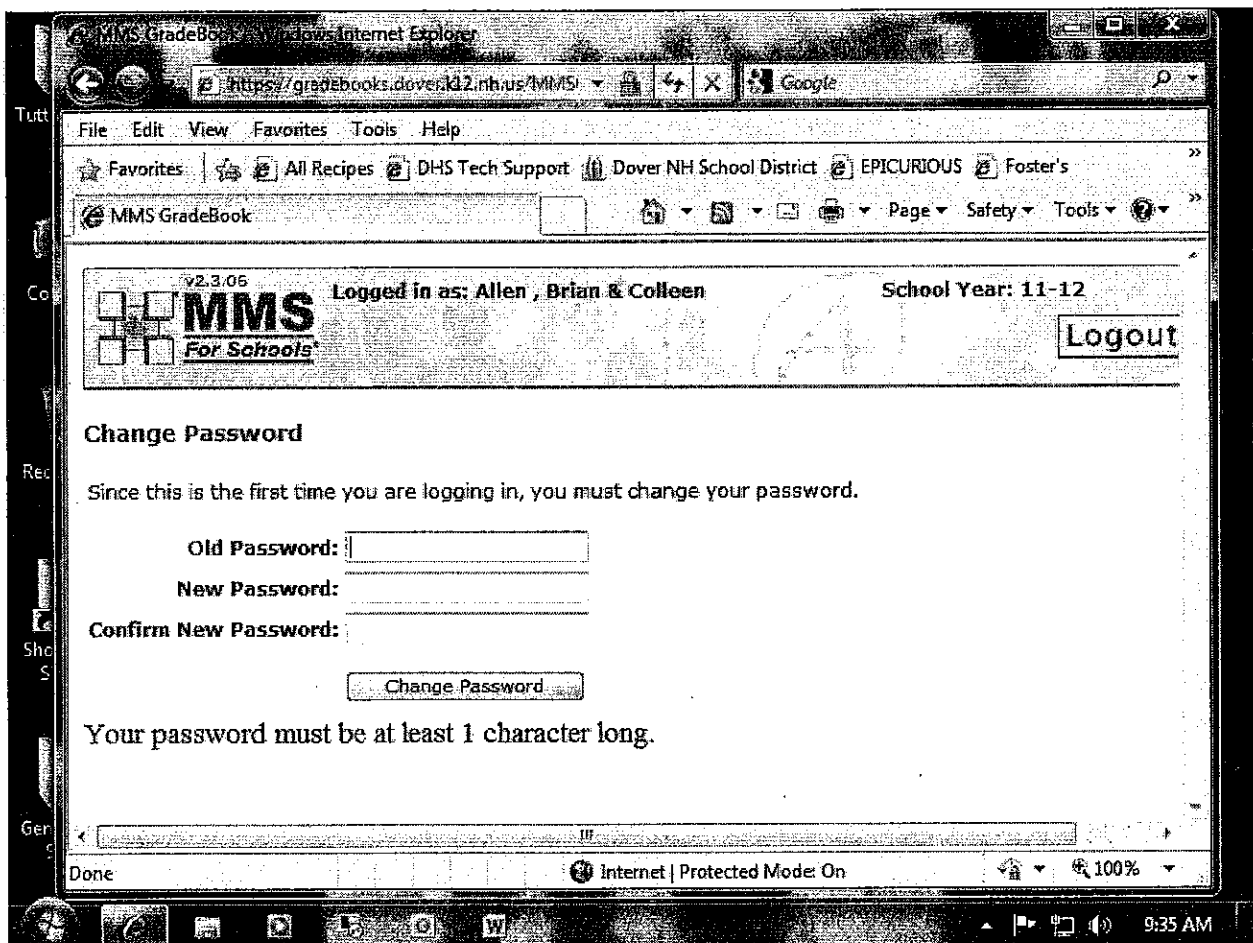

Click on the words [click here](#) to create your account. **Do Not enter a password at this time.** At the next screen enter the Parent First Name and Parent Last Name (exactly as it appears in the MMS System at your child's school). At the Parent Login Name: type in the USERNAME of your choice. Now enter your child's Student ID Number. Click **Create Account**.

The system should now let you know that you have successfully created the account. (If you get an error message, check the information you typed for accuracy and if you make a correction, select **Create Account** again. If you are still not able to create your account, please contact your child's school for assistance. Dover High School is 516-6914 or check our **FAQ Page** at <http://gradebooks.dover.k12.nh.us> The link to FAQ page is located in the middle of our Home Page.

If you were successful in creating your account, check your email for your temporary password; please jot down this information for future use. (If you do not receive an email, check your SPAM or JUNK folders).

The first time you login, you will be required to change your password (there are no restrictions on passwords). Go back to the MMS Parent Portal Login Page. Enter your **Username and the temporary Password**. The next screen will allow you to choose a new password; enter your information and select **Change Password**.

The next screen will show your child's name; you may open the account you have created. This account will allow you to view your child's grades, homework, schedule, attendance, discipline and more.
